

This product contains effective natural products like emu oil, with just enough of a FDA approved active drug to be O.T.C. (over the counter) compliant for the stated uses.

Drug Facts

ACTIVE INGREDIENTS: Salicylic Acid 0.7% **PURPOSE:** Topical acne treatment

USES: For the treatment of skin blemishes caused by acne and/ or reduces pimples, blackheads and other skin rashes.

WARNINGS: FOR EXTERNAL USE ONLY. Avoid contact with eyes and if this happens, rinse thoroughly with water. **DO NOT USE:** On broken, damaged open lesions of the skin. Do not apply to large areas of the body. *Store at room temperature.*

KEEP OUT OF THE REACH OF CHILDREN:

In case of accidental ingestion contact the **Poison Control Center** immediately.

DIRECTIONS: Cleanse hands before and after use. Apply thinly, on a clean affected area once to three times daily, or as directed. Because of the tendency of the skin to dry excessively, start application once daily; then gradually increase or as directed by a doctor. If bothersome peeling or dryness of the skin occurs, reduce application or use every other day. If pregnant or breast feeding, ask a doctor before use.

INACTIVE INGREDIENTS: Purified Water, SD Alcohol 40-2, Propylene Glycol, Glycerin, Polyacrylamide, C13-14 Isoparaffin, Laureth-7, **Emu Oil**, Zinc Oxide, Sulfur, Camphor, Magnesium Aluminum Silicate, Triethanolamine, Iron Oxides
